REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Daniel Island School has successfully completed its second year as a pre-k through 8th grade school. This uniquely structured school is nestled in a community located on Daniel Island. Its rich, diverse population draws from all states around the nation, as families move into the area, as well as the surrounding rural areas. We celebrate the differences and take advantage of the unique cultures that have come together in this learning environment.

In this rapidly growing area, our enrollment increased from roughly 575 students in June 07 to almost 800 currently. The community is excited about the initiatives we have started and provides endless hours of volunteer time to support our efforts. Our Adopt-a-Teacher Program has taken on a new look. This program is geared to bring the business community into the classroom. Businesses are working side-by-side with teachers, providing hands on learning experiences for children with things like scale drawing and creating a business from scratch.

Parent Pals is a way for parents and community members to give back to a child. Mini training sessions are provided to allow them to feel comfortable when they steal away for an hour a day or a week to come and read to a buddy. Another buddy program we started is our Osprey Buddies. Students are matched up with other students to provide support, assistance, and friendship.

We are proud of our student accomplishments. One of our fifth graders placed second in the District Lieutenant Governor's Writing contest, one student made All County Orchestra, eight students made All County Chorus, over \$1,000 was raised for the Lymphoma and Leukemia Society, we had eleven district Reflections winners and six 1st place overall, one student was recognized at the state level for his entry into the Doodle for Google contest, one student received the Duke Tip and six were recognized as Jr. Scholars, fifteen student ambassadors made up our Student Council, and several students participate in our Taiko Drumming class and present locally. Students and faculty participated in Jumprope for Heart, Relay for Life, a blood drive, and our Christmas Toy Drive. Our teachers are active members of school, district, and state organizations and committees. They assist with coaching athletic teams at the school, volunteer to teach summer programs, and provide enriched tutoring experiences before and after school.

We believe in positive interactions with children and have worked hard this year to create a climate that supports that belief. Children are recognized on a regular basis for positive choices, improved grades, outstanding grades, and display of quality character.

Though we are proud of the successes we have experienced this year, we look forward to all the accomplishments ahead. As we travel on this learning journey together, we embrace the lessons life teaches us through all aspects of our day.
